STRIP LIGHTS

2	WDSL-6S03WS
3	WDSL-12S06WS
4	WDSL-18S10WS
5	WDSL-24S12WS

6 inch LED Strip Light

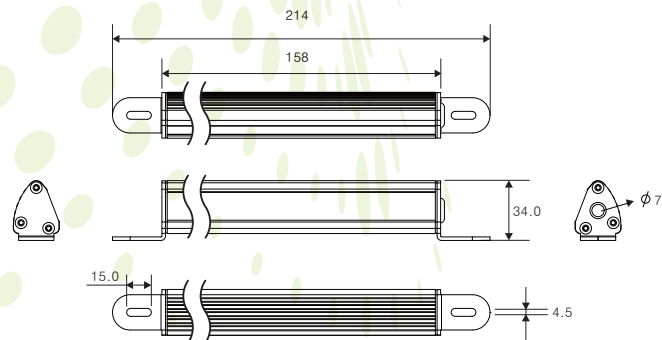

MODEL : WDSL-6S03WS

Lighting source	LED
Operating voltage	DC 10~36V
Current Draw(12V)	0.23A
Wattage	3 Watt
Length	6 inch
LED Quantity	6
Luminous Flux	200 lm
Housing Color	Silver
IP Rating	IP65
Case Material	Aluminum
Lifespan	50,000hrs
Operating temperature	-40°C~80°C

- Strip provides even light throughout the truck body
- Fits anywhere
- Less current draw
- Does not flicker like fluorescent lighting
- Brighter, whiter LED provides more realistic view
- Eliminates shadows

3W

IP65

12 inch LED Strip Light

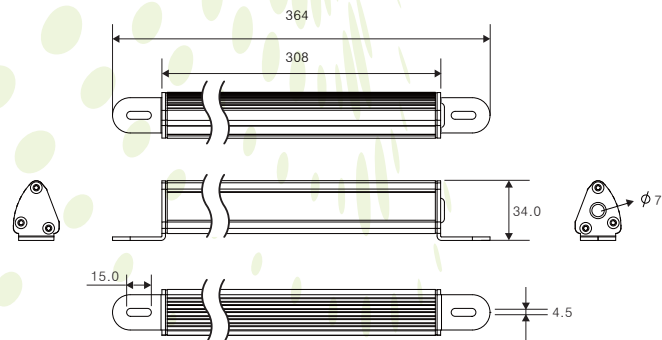

MODEL : WDSL-12S06WS

Lighting source	LED
Operating voltage	DC 10~36V
Current Draw(12V)	0.41A
Wattage	6 Watt
Length	12 inch
LED Quantity	12
Luminous Flux	400 lm
Housing Color	Silver
IP	IP65
Case Material	Aluminum
Lifespan	50,000hrs
Operating temperature	-20°C~40°C

- Strip provides even light throughout the truck body
- Fits anywhere
- Less current draw
- Does not flicker like fluorescent lighting
- Brighter, whiter LED provides more realistic view
- Eliminates shadows

6W

IP65K

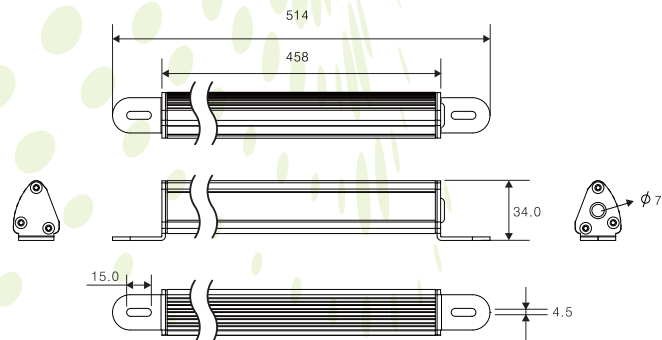

18 inch LED Strip Light

MODEL : WDSL-18S10WS

Lighting source	LED
Operating voltage	DC 10~36V
Wattage	10 Watt
Current Draw(12V)	0.70A
Length	18 inch
LED Quantity	18
Luminous Flux	600 lm
Housing Color	Silver
IP Rating	IP65
Case Material	Aluminum
Lifespan	50,000hrs
Operating temperature	-40°C~80°C

- Strip provides even light throughout the truck body
- Fits anywhere
- Less current draw
- Does not flicker like fluorescent lighting
- Brighter, whiter LED provides more realistic view
- Eliminates shadows

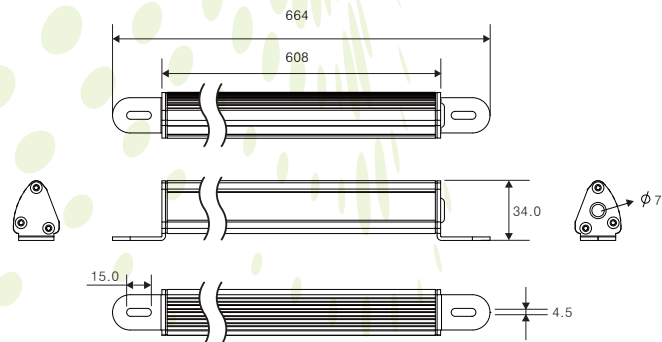

24 inch LED Strip Light

MODEL : WDSL-24S12WS

Lighting source	LED
Operating voltage	DC 10~36V
Wattage	12 Watt
Current Draw(12V)	0.90A
Length	24inch
LED Quantity	24
Luminous Flux	800 lm
Housing Color	Silver
IP Rating	IP65
Case Material	Aluminum
Lifespan	50,000hrs
Operating temperature	-40°C~80°C

- Strip provides even light throughout the truck body
- Fits anywhere
- Less current draw
- Does not flicker like fluorescent lighting
- Brighter, whiter LED provides more realistic view
- Eliminates shadows
