

Weldex LED Work Light

40 W

610g

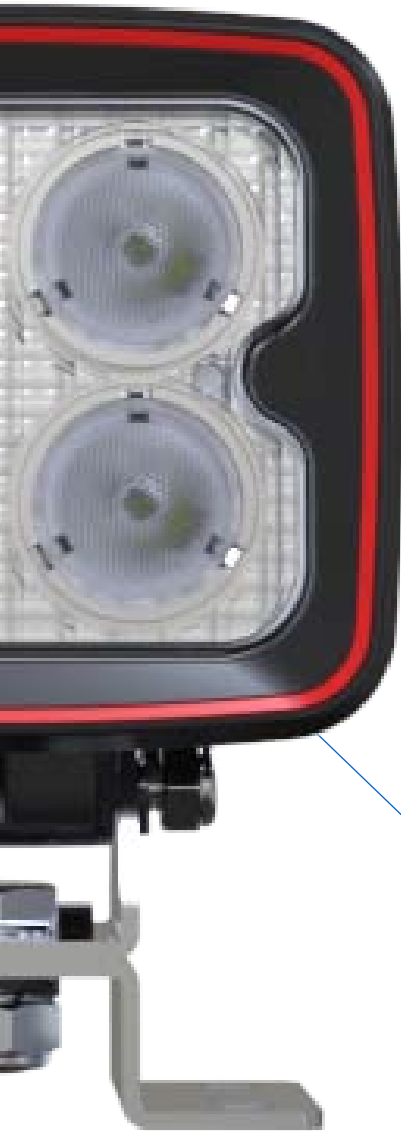

9 to 36 VDC

15G

IP69K

WDWL-4S40W

- ECE R10 certification
- Die-cast for superior heat dissipation
- Adjustable trunnion mounting bracket
- Vertical fins maximize heat dissipation
- Low power consumption
- Polycarbonate lens
- Off-road racing, ATV/UTV, truck, mining, agricultural, heavy-duty equipment, boat, construction, etc.

**Lumen
2,680lm**

SPECIFICATION

Luminous flux
2,680lm

Input voltage
DC9V ~ 36V

Wattage
40W

Operating temperature
-40°C ~ +85°C

IP rating
IP69K

Dimensions (mm)
112(L) x 104(W) x 36.8(D)

LED lifetime
50,000 Hours

Vibration rating
15G

Current draw (12V)
2.1A

Housing color
Black

Weight
610g
