

## Features

\*Harness: Leadwire

- CREE high power LED (XHP35 HI)
- Die-cast aluminium housing for ultimate durability and protection
- Long distance projection (up to 600m, 1.0lx)
- Optics designed by reflectors and aspherical lens
- Color selectable polycarbonate covers
- Waterproof connector available
- U type bracket

## Specification

Wattage	55W
Input voltage	DC 10 ~ 36V
Current draw	4.58A (@12V)
Raw lumens	9000lm
Actual lumens	7200lm
Beam angle	6°
Housing color	Chrome / Dark
Operating temperature	-40° C ~ +80° C
IP rating	IP69K
Vibration rating	30G
Lifespan	50000 hrs
Approximate size	180Ø x 130(D)mm
